

Orion ISO, Inc.

9400 Golden Valley Rd, Golden Valley, MN 55427

Direct Deposit / Pay Card Enrollment Form

Choosing electronic deposit of your payroll allows you the choice of two options. You may have your payroll deposited directly into your personal bank account or on a Global Cash Prepaid MasterCard Pay Card.

You will receive your earnings statement (pay stub) by secure email if you provide us with an email address or it will be mailed to your home address.

Choosing to have your pay deposited to a Global Cash Prepaid MasterCard will make multiple options available to you. Some of them are listed below:

- Use your first free transaction each pay period to withdraw all your funds at any bank. No more check cashing fees.
- Use your card at any store to make a purchase, signature purchases are free.
- Withdraw cash at network ATM's surcharge free.
- Pay bills electronically.
- Monitor your account on-line or receive account alerts via phone or email.
- No more lost or stolen checks.
- Free email, text, or voice messaging alerts when your payroll is loaded on your card.

If you would like more information on this option, please contact us. If you select this option, we will mail out to you an initial paycard for you to use until you receive your card from Global Cash.
