

Service Suspension and Termination Policy

Program Name: ORION ISO

I. Policy

It is the policy of this DHS licensed provider ORION ISO to ensure our procedures for temporary service suspension and service termination promote continuity of care and service coordination for persons receiving services, the case manager, and with other licensed caregivers, who also provide support to the person receiving services.

II. Procedures

A. Temporary Service Suspension

Orion ISO will limit temporary service suspension to the following situations:

1. The persons' conduct poses an imminent risk of physical harm to self or others and either:
 - a. Positive support strategies have been implemented to resolve the issues leading to the temporary service suspension but have not been effective and additional positive support strategies would not achieve and maintain safety; or
 - b. Less restrictive measures would not resolve the issues leading to the suspensions; OR

 2. The person has emergent medical issues that exceed the license holder's ability to meet the person's needs; OR

 3. The program has not been paid for services.
- B. Prior to giving notice of temporary service suspension, Orion ISO, Incorporated must document actions taken to minimize or eliminate the need for service suspension.
1. Action taken by Orion ISO, Incorporated must include, at a minimum:
 - a. Consultation with the person's support team or expanded support team to identify and resolve issues leading to issuance of the notice; and
 - b. A request to the case manager for intervention services identified, including behavioral support services, in-home or out-of-home crisis respite services, specialist services, or other professional consultation or intervention services to support the person in the program.

2. If, based on the best interests of the person, the circumstances at the time of the notice were such that the program unable to consult with the person's team or request interventions services, the program must document the specific circumstances and the reason for being unable to do so.

C. The notice of temporary service suspension must meet the following requirements:

- a. This program must notify the person or the person's legal representative and the case manager in writing of the intended temporary service suspension.
- b. If the temporary service suspension is from residential supports and services, including supported living services, foster care services, or residential services in a supervised living facility, including ICF/DD, the program must also notify the Commissioner in writing. DHS notification will be provided by fax at 651-431-7406.
- c. Notice of temporary service suspension must be given on the first day of the service suspension.
- d. The written notice of service suspension must include the following elements:
 1. The reason for the action;
 2. A summary of actions taken to minimize or eliminate the need for temporary service suspension; and
 3. Why these measures failed to prevent the suspension.
- e. During the temporary suspension period Orion ISO, Incorporated must:
 1. Provide information requested by the person or case manager;
 2. Work with the support team or expanded support team to develop reasonable alternatives to protect the person and others and to support continuity of care; and
 3. Maintain information about the service suspension, including the written notice of temporary service suspension in the person's record.

D. A person has the right to return to receiving services during or following a service suspension with the following conditions.

1. Based on a review by the person's support team or expanded support team, the person no longer poses an imminent risk of physical harm to self or others, the person has a right to return to receiving services.
2. If, at the time of the service suspension, the person is receiving treatment related to the conduct that resulted in the service suspension, the support team or expanded support team must consider the recommendation of the licensed health professional, mental health professional, or other licensed professional involved in the person's care or treatment when determining whether the person no longer poses an imminent risk of physical harm to self or others and can return to the program.
3. If the support team or expanded support team makes a determination that is contrary to the recommendation of a licensed professional treating the person, the program must document the specific reasons why a contrary decision was made.

B. Service Termination

Orion ISO must permit each person to remain in the program and must not terminate services unless:

- a. The termination is necessary for the person's welfare and the person's needs cannot be met through this program;
 - b. The safety of the person or others in the program is endangered and positive support strategies were attempted and have not achieved and effectively maintained safety for the person or others;
 - c. The health of the person or others in the program would otherwise be endangered;
 - d. The program has not been paid for services;
 - e. The program ceases to operate; or
 - f. The person has been terminated by the lead agency from waiver eligibility.
- B. Prior to giving notice of service termination, Orion ISO must document the actions taken to minimize or eliminate the need for termination.
- a. Action taken by the Orion ISO must include, at a minimum:
 1. Consultation with the person's support team or expanded support team to identify and resolve issues leading to the issuance of the notice; and
 - b. If, based on the best interests of the person, the circumstances at the time of the notice were such that the program unable to consult with the person's team or request interventions services, the program must document the specific circumstances and the reason for being unable to do so.
- C. The notice of service termination must meet the following requirements:
- a. Orion ISO must notify the person or the person's legal representative and the case manager in writing of the intended service termination.
 - b. If the service termination is from residential supports and services, including supported living services, foster care services, or residential services in a supervised living facility, including an ICF/DD, the license holder must also notify the Department of Human Services in writing. DHS notification will be provided by fax at 651-431-7406.
 - c. The written notice of a proposed service termination must include all of the following elements:
 1. The reason for the action;
 2. A summary of actions taken to minimize or eliminate the need for service termination or temporary service suspension, and why these measures failed to prevent the termination or suspension. A summary of actions is not required when service termination is a result of when the program ceasing operation;
 3. The person's right to appeal the termination of services under Minnesota Statutes, section 256.045, subdivision 3, paragraph (a); and

4. The person's right to seek a temporary order staying the termination of services according to the procedures in section 256.045, subdivision 4a or 6, paragraph (c).
 - c. The written notice of a proposed service termination, including those situations which began with a temporary service suspension, must be given before the proposed effective date of service termination.
 1. For those persons receiving intensive supports and services, the notice must be provided at least 60 days before the proposed effective date of service termination.
 2. For those persons receiving other services, the notice must be provided at least 30 days before the proposed effective date of service termination.
 - d. This notice may be given in conjunction with a notice of temporary service suspension.
- E. During the service termination notice period, the program must:
- a. Work with the support team or expanded support team to develop reasonable alternatives to protect the person and others and to support continuity of care;
 - b. Provide information requested by the person or case manager; and
 - c. Maintain information about the service termination, including the written notice of intended service termination, in the person's record.
